Next week, we will take up the Catholic Home Missions Appeal. Right now, over 40 percent of dioceses in the United States are considered home mission territory because they are unable to fund the essential pastoral work needed in their communities. Your support of this appeal helps ease the struggle of these dioceses. Please prayerfully consider how you can support this appeal. Envelopes are available in the pews and also in your envelope packets. Please make checks payable to Christ the King and place them in with our regular collection. Thank you for your generosity. More information can be found at *www.usccb.org/home-missions*.
