REVIVAL'S IN THE AIR AN EXCITING JOURNEY AHEAD

Our world is hurting. We all need healing, yet many of us are separated from the very source of our strength. Jesus Christ invites us to return to the source and summit of our faith in the celebration of the Eucharist. The National Eucharistic Revival is a movement to restore understanding and devotion to this great mystery here in the United States by helping us renew our worship of Jesus Christ in the Eucharist.

Watch the video at the link below to learn more about the exciting journey ahead and how you can be a part of it.

MARY'S JOURNEY BEGINS by Kathy Wolyn

The Seventh Day of Christmas is January 1st. It has nothing to do with seven swans a'swimming. Many people will use this day to make resolutions to improve themselves in the coming year. Others will spend the day watching their favorite football teams. The Catholic Church uses the first day of the new year to honor the Blessed Virgin Mary, the Mother of God.

We don't know much about Mary other than she was a virgin, young, and probably poor. Having just celebrated Christmas, we know how important Mary's decision to say yes to the angel Gabriel's announcement was. We heard how brave Mary was, to travel to a new town and then to give birth to her child in a stable. She must have still been wondering about the small miracle she held in her arms when a group of rag-tag shepherds arrived. The gospel tells us Mary kept all these things, reflecting on them in her heart. One can only wonder what she thought and reflected on at that time. Anyone who has personally held a newborn baby, especially as a new parent, knows the strange cocktail of awe, fear, and love that occurs in that moment. Considering all that had happened to her in the past nine months, those emotions must have been even more overwhelming for Mary. She was beginning more than a new year, but a new era in history. We know how her newborn son's earthly life will end, and we know that Mary will be with him at the foot of the cross.
