## Annual Mission Appeal Diocese of Pueblo October 14-15

Each year our parish provides prayer and financial support to our annual mission appeal recipient whose mission is to minister to the needs of the poor and share the Gospel. The Mission Appeal this year is for the Discalced Carmelite Mission in Tanzania which needs help to continue their many projects that include assisting people to build houses & small chapels in remote villages, to continue water projects, to build schools, to educate orphans and Carmelite seminarians, and to establish new Carmelite communities in different dioceses of Tanzania.

Fr. Israel Gonsalves, Discalced Carmelite Friar, will be joining us this weekend to share about the specific needs of the Discalced Carmelite Mission in Tanzania. We invite you to help in serving the less fortunate in Tanzania who will surely recognize God's love in your generosity. We request your prayers for the Discalced Carmelite Missionaries and people of Tanzania.

More info at [www.carmelitemissionstz.org](http://www.carmelitemissionstz.org)

If you would like to support this appeal with a check, make it out to Christ the King Parish and note "Mission Appeal". Please place in the regular collection. Thank you.

## October 22 World Mission Sunday 2023

Next weekend, we will unite with the global Church in celebrating World Mission Sunday. This year, Pope Francis illuminates our path with the theme: "Hearts on fire, feet on the move." As we prepare to observe this special day, we are reminded to ignite our hearts with Christ's love and extend that warmth to the most vulnerable corners of our world. Your fervent prayers and upcoming generosity in the collection for the Society for the Propagation of the Faith will bolster the missionaries working in Africa, Asia, the Pacific Islands, and certain regions of Latin America and Europe. Let us come together to support them in their mission of love and service. Make checks payable to Christ the King and Note "World Mission Sunday". Please place in regular collection. Thank you!
