## Announcement regarding our Youth Ministers

### Jacob Mutz and Lauren Bartolo:

It is with a twinge of sorrow that we announce that after 5 years of Youth Ministry, our two Youth Ministers Jacob Mutz and Lauren Bartolo are stepping down. The Parish teens and families have benefited immensely from their deep love and knowledge of the Catholic Faith.

During their time as Youth Ministers here at Christ the King, Jacob and Lauren worked tirelessly to expand the Youth program from merely Confirmation Preparation, to Discipleship opportunities available to all teens throughout their high school years.

Their ministry included weekly discipleship formation sessions, book club opportunities, lively games of flag football and dodge ball, retreats, Eucharistic Adoration, hiking trips, and more. They secured donations to create a new Youth Discipleship Room and were in the process of creating a Chapel prayer space in the Formation building.

They organized retreats on and off site and citywide gatherings for Steubenville of the Rockies and more. Their sacrifice of time, talent, prayer and leadership will be missed. Join us in praying that God will bless them in their future endeavors and be sure to shake their hands in appreciation when you get a chance.

**1:00pm to 4:00pm**

**The Christ the King Endowment** was established to guarantee that our truly amazing parish family will continue to be a beacon of Christ's Light to Northeast Pueblo and beyond.

When fully matured, interest from the Endowment would pay for parish operating funds. Our ministries would be ensured, and probably expand. But for that to happen, it needs nourishment!

The Endowment can grow several ways:

- by designating part of your weekly or monthly contribution to it (next year's envelopes will add a check-box so you don't have to write it in) – even a dollar or two makes a difference over time!

- through a charitable tax contribution if you are blessed to benefit from making one because God has blessed you with abundance!

- by including the Endowment in your Will as a beneficiary – totally painless!

The Endowment is in its infancy. A half-dozen parishioners have helped start this "nest egg." But the parish is your legacy, not just for a few. Think of how large a part it plays in your life and the well-spring of friendships it gives you. Let your appreciation be reflected by your participation in the Endowment now, so we can guarantee the continued best of worship, religious education, adult formation and ministries of mercy to our community in the future. God bless you!

### TREASURES FROM OUR TRADITION

On a summer day, with the windows open, we may hear the sound of church bells. Bells seem to have come into church life in Irish monasteries around the seventh century, and spread around the Christian world by Irish monks on missionary journeys. By the eighth century, bells were standard equipment in even small parish churches. An ancient ceremony, once called the "baptism of the bells," recognizes that the church bell has a voice to call people to awareness and summon them to worship, and even bestows a name on the bell.

In a world without clocks or watches, the bell had an indispensable role. For calling monks in from the fields for prayer, or alerting far-flung visitors, the bell's voice was enhanced by hoisting it high into a tower. Soon it was learned that the sound of several bells clanging together in harmony imparted a sense of joy to great celebrations, and bell towers prospered, some chock full of bells. Different combinations of rings could indicate a death, a Mass, a wedding, a fast day, the curfew at the end of day, and the Angelus. Before electricity, bell-ringing was hard work indeed: the biggest bell in the Catholic world, in Cologne, Germany, weighs twenty-seven tons! There's no substitute for the resonant roar of a mighty bell; electric chimes are not eligible for blessing!
