Many people want to read the Bible because they know it is God's Word, but they give up because it seems so complicated. Unlocking the Mystery of the Bible helps you to get the "big picture" of the Bible by showing how fourteen narrative books of the Bible tell the complete story from Adam and Eve to Christ and the Church.

"I never would have read the Bible if it wasn't for this, and now I simply adore Scripture. It has given me such insight into the Catholic faith and helps me to understand its true beauty."

- Kiley D.

Collection for the Church in Latin America

Next week we will take up the Collection for the Church in Latin America. For many in Latin America and the Caribbean, a rising secular culture, difficult rural terrain, and a shortage of ministers all present obstacles to practicing the faith. Your support for the collection provides lay leadership training, catechesis, priestly and religious formation, and other programs to share our Catholic faith with those who long to hear the Good News of Christ. To learn more about how your gifts make a difference, visit www.usccb.org/latin-america.
