

## QUICK FACTS

to share about A Caring Pregnancy Center  
For the Walk for Life

- We're celebrating our 40th anniversary!
- ACPC was established in 1984 by a group of concerned citizens who wanted to provide alternatives to women considering abortion in the Pueblo community by offering free pregnancy tests with peer mentoring, maternity and baby supplies.
- The Walk for Life is ACPC's second largest fundraiser.
- In 2023:
  - We administered a total of **381 pregnancy tests**, offering clarity and support to those navigating the uncertainties of pregnancy.
  - We performed **415 ultrasounds**, empowering expectant parents with a visual understanding of their pregnancy journey.
  - We had the privilege of sharing the gospel with **239 individuals**, providing spiritual guidance and support during a pivotal moment in their lives.
  - And in a true testament to the transformative power of your support, **203 patients chose life**, embracing the journey of parenthood with newfound strength and confidence.
- ACPC serves as more than a pregnancy center. We offer men services, post-abortion support, teen mentoring, parenting services and so much more.
- ACPC's services are free to clients thanks to the generous contributions of our supporters.
