Congratulations to the teens within our community who were Confirmed and became fully initiated members of the Church on Tuesday, April 23rd. Thank you to all who made the celebration so prayerful and meaningful.

FACTS ABOUT CHILD ABUSE YOU MAY NOT KNOW

Did you know... Child abuse comes in many forms. Most people identify child abuse as physically hitting a child. Neglect is also a form of abuse. Failing to provide a child with proper nutrition, housing and supervision can cause irreparable harm. Expectations that a child be an active participant in the care of home and family, or even age-appropriate jobs is a part of healthy development. But excessive demands can cross into a form of servitude that is beyond the societal norms. Child pornography is a form of sexual abuse, with real victims in every image. The viewing of these images is an offence against the human dignity.

Fr. Carl will be out of the office May 9 through June 1. Please keep Fr. Carl and Fr. Adam in your prayers as they climb Mt. Denali in Alaska.

Dear Parishioners,

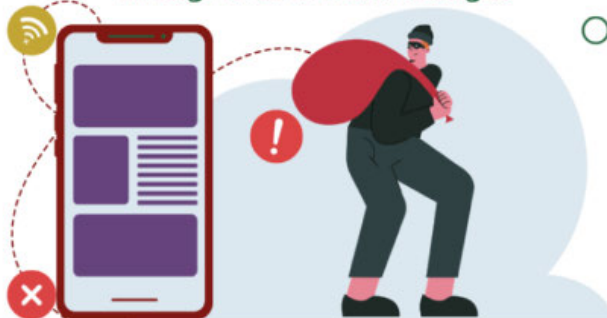

Please exercise great caution if ever receiving any request from a person claiming to be me via email or text message. If you are not seeing my face or hearing my voice then definitely never give money, or gift cards, or anything like that. I care about you all and you need to be alert to the fact that the scammers, pretending to be me, have been sending out a huge number of requests to parishioners with the intent to steal your money. Be careful.

God Bless,
Fr Carl

ATTENTION PLEASE!

BEWARE OF SCAMS!

Fr. Carl does not solicit for help or funds through texts or email messages.

Protect yourself from scams.

Keeping Children and Teens SAFE ONLINE

Computers and mobile devices can be helpful tools for children and teens to learn and grow in faith and fellowship. Unfortunately, the digital world is also full of unsafe and explicit content. You wouldn't hand a teen the car keys without first teaching them how to drive. The same should be true for using technology— teach them how to keep themselves and others safe while using it.
