---

My dear Parishioners,

Greetings in the peace and love of Christ.

First and foremost, I want to thank each of you for your continued presence, prayers, and support of our parish community. Whether through attending Mass, volunteering your time, or offering financial contributions, your generosity and faith help make our parish a true reflection of Christ's love.

As you know, maintaining the life and ministry of our parish requires both spiritual and material resources. Over the past year, we have faced increasing costs related to utilities, maintenance, outreach, and pastoral programs. While we have done our best to be good stewards of the resources entrusted to us, our current financial situation requires us to reach out to you with humility and hope.

We are asking all parishioners to prayerfully consider making a financial contribution specifically to our Advancing Missionary Discipleship (AMD), if you are able. Your support will ensure we can continue offering vital ministries, maintaining our church facilities, and planning for the future of our faith community. In view of this, we are going to include Pledge envelopes intended for the AMD.

Here are a few specific ways you can help:

- One-time or increased weekly donations – Every gift, no matter the amount, makes a meaningful difference.
- Online giving – Setting up a recurring donation online can help us better plan and manage our resources.

We understand that these are challenging times for many, and we ask only what your heart and circumstances allow. Above all, we remain grateful for your prayers and for the gift of your presence in our community.

If you have any questions or would like to discuss ways to support the parish, please do not hesitate to reach out to our Business Manager or speak with me directly.

Let us continue to trust in the providence of God, who multiplies every offering made in love.

With gratitude and prayer,

Yours in Christ,

Fr. Zaldy B. Norba, SSS  
Pastor  
Christ the King Parish

Kristi Brown  
Finance Council President
