A BIBLICAL WALK THROUGH THE MASS

EDWARD SRI

The Mass is nothing short of amazing. Through it, we encounter God in the most intimate way possible as we hear Him speak to us in the Liturgy of the Word and as we receive Him Body and Blood, Soul and Divinity in the Holy Eucharist. Everything we say and do in the Liturgy is steeped in biblical language; The words, the gestures, and the rituals of the Mass are rich in meaning.

"A Biblical Walk Through the Mass" explores the extraordinary biblical roots of the Liturgy and reveals what it all means and why it all matters. In his video-based study "A Biblical Walk Through the Mass", Dr. Edward Sri explores the roots of the words and gestures we experience at Mass and explains their profound significance. This fascinating tour of the Mass will renew your faith and deepen your love for and devotion to the Holy Eucharist.

In this study, you have two options:

- 1) Watch the five videos and participate in group discussions for each of the videos.
- 2) Purchase a Study Workbook for home preparation furthering your understanding of the Mass as well as watching the videos and participating in group discussions. The choice is yours! In either option, your heart will be opened to understanding the meaning of the MASS.
